

ISIC Benefits in Korea

The ISIC is an internationally recognized student ID, providing verified student status and access to 150,000+ discounts not only in Korea, but around the world. Enjoy savings before departure, during your time in Korea, and even after you return.

Airfare Consultation in Your Language!

You may translate the Korean consultation page into your native language using your browser's translation feature and submit your inquiry in your own language. Our staff will use a translation tool to respond to you in the language you entered.

* ISIC cardholders receive a KRW 10,000 ticketing fee discount!
